

## **Head of Accreditation – AICMQ appointed**

Following the signing of the Licence agreement with CICM (Chartered Institute of Credit Management – UK), the AICM is pleased to announce the appointment of John Field FICM, CCE, ACPM, as Head of Accreditation – AICMQ.

Nick Pilavidis, CEO of AICM, said “This is a significant step toward offering the AICMQ Quality Accreditation program as another way the AICM helps lift the standard and recognition for Credit Management,”

John has a Credit Management, Project & Change Management and Product Management background, as well as a long history as an AICM member, making his operational experience an ideal background to run this program for the AICM and its members.

John has completed a thorough review of the CICM’s process and customised their program to meet the Australian Credit environment. There are a few more steps to complete before this program is ready to be officially launched but we encourage members to email [aicm@aicm.com.au](mailto:aicm@aicm.com.au) with their expression of interest to ensure they receive the AICMQ information, once launched.
